

Winterbourne Junior Girls' School

Year 6 Newsletter

Week ending: Wednesday 31st March 2021

The girls have worked hard this term, and their effort both in the classroom and at home throughout Lockdown, has been reflected in their assessment results. We have had a fun Easter Egg Hunt this week, and after the Easter break we will be back to learning, including our exciting Entrepreneurs project. We are looking forward to making yet more progress in Maths and English skills, and hope that all our families enjoy the Easter break and see at least a little sunshine!

Big Battery Hunt

Our school is busy collecting used batteries and adding them to our school containers for recycling. With your help, we hope to make a positive difference to our planet and the way that young people think about recycling batteries. Please ask your daughter to bring any used batteries to school for recycling.

Summer Term

After Easter, we will be consolidating and revising the mathematical concepts that are the part of whole KS2 Curriculum. We will be practising the Key reading comprehension skills in our Reading lessons. In English, we will be immersing ourselves in writing based upon Harry Potter and the Philosopher's Stone.

We will also be revising our KS2 Science Curriculum.

Easter homework includes a Maths booklet, revision tasks on My Maths and reading comprehension tasks using MyOn. All are posted on Google Classroom.

Students of the Term

6.1: Elena

6.2: Tasfia

6.3 Laila

Attendance
Congratulations to all girls in year 6 who achieved **100%** attendance.

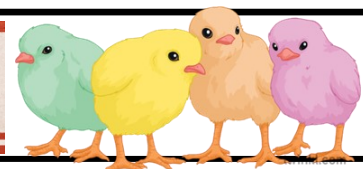

There are too many to list here!

Value of the Month for
April—Honesty

Please follow us on Twitter and support our school @WJGSS. There are fascinating items of interest about some Win-

Enjoy a nice break!

Philosophy Question of the Month for April:

Is it okay to do something wrong if nobody sees or hears about it?
