Year 4 Newsletter

Week ending Friday 30th April 2021

This week's Learning

Our girls experimented with changing the size of shadows in Science. They created a graph of their results. They have also continued their observation of their Butterfly Project and drew pictures to show the second stage of the life cycle of the butterfly.

In English, they wrote a Sci-Fi short story and in RE, created a timeline of their achievements so far.

News

Next week, our girls will join children in the rest of the country to participate in the "Big Ask" — a government survey to seek the view points of children so that plans could be made to improve their lives.

The Big Pedal: A big thank you to everyone who participated in the Big Pedal.
