Homework Reminder

Year 6 girls need to complete their English and Maths homework which they were given to take home today.

Year 6 Reading Buddies!

The ability to read is vital. It paves the way to success in school, which can build self-confidence and motivate your daughter to set high expectations for life.

Our Reading Buddies program, which is starting from next week, will help the girls to model good reading and promote an enjoyment of reading. As like any skill, reading needs to be practiced on a regular basis and with this practice as well as modelling, Year 6 will be able to improve their own skills.

Transition lesson this week...

Year 6 girls looked at how self-control is an important skill that they must work on and how developing self-control could help them to achieve their goals.

They further explored the power of self-control and the positive effects it can have in their day-to-day life.

They specifically discussed the negative impacts of screen time on the brain and how to reduce the time spent on screens by exercising self-control.
