

Winterbourne Junior Girls' School

Year 6 Newsletter

Week ending: Friday 21st May 2021

In order to succeed, you must read!

In order to meet the age related expectations in KS2 tests, the girls need to make use of school resources (Accelerated Reader, MyOn and our School Library) to read daily. As discussed during Parents' meetings, they need to read a variety of genres to improve their knowledge and reading skills such as inference, summarising, working out the meaning of the words in a context etc.

Thanks to all the parents, who attended the parents' meetings this week to discuss their child's progress in school, and the targets she will be working on, over next few weeks.

Homework Reminder

Year 6 have been given Maths and English Homework to complete over the weekend.

Year 6 Transition

The changes and developments that come with starting a new school can often cause a lot of worries and concerns in children. Our transition lessons are providing an opportunity to the girls to equip themselves with the skills which they will be able to use to encounter their fears and worries, about their new school.

This week, Year 6 reflected upon how having a positive attitude could increase their chances to succeed in life.

Foot Fest

Year 6 took part in the five-day walking challenge this week. This year's challenge focussed on the walking superpowers that benefit individuals, communities and the planet. To celebrate walking to school, all the girls in Year 6 took part in a Footfest. The fest included the dance in the playground and some synchronised scooting activities that the girls really enjoyed!!

Word of the Week

Clustered

Idiom of the Week

Value of the Month

May — Teamwork

Philosophy Question of the Month:

Can one person change the world?
