Year 6 Newsletter

Week ending: Friday 28th May 2021

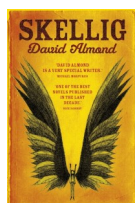

Year Six have been completing assessments this week in Maths and English, in preparation for their SATS which are in the week of June 14th. There are plenty of materials on MyMaths which will help them revise any topics they are unsure of - they will know what these are, having taken their assessments. Please also check that your daughter is using MyOn to read every day, or taking Accelerated Reader quizzes. It is very important that the girls keep up the hard work and revision over the half term. **We wish you all a restful half-term. Girls will be back on Tuesday 8th June 2021**

Holiday Homework

Each child in Year 6 has been given a pack containing 3 Maths Papers, a Reading booklet and a Reading Answer Booklet to complete during Half-Term Holidays! Girls need to complete all their homework and bring it back to school on Tuesday, 8th June 2021

Summer 2 - Reading and Writing Focus..

After half term we will be starting a new class text, called Skellig, by David Almond. This is a powerful story about a magical meeting, and there will be plenty of opportunities for some top-quality writing using this text.

In their transition lesson this week, Year 6 reflected upon how facing a failure helped to learn something new and improve themselves.

It's not Failure, it's an Unfinished business
