

Winterbourne Junior Girls' School

Year 4 Newsletter

Week ending Friday 7th May 2021

This week 's Learning

Pupils began their Newspaper report, writing about the intriguing C-Bean Mark 3 found on the island of St Kilda by some adventurous children.

In Science, they have begun to look at the concept of Reflection. They have experimented with reflective surfaces and types of mirrors.

Our Butterfly Project continues. Pupils have put their chrysalises into the net and are awaiting the arrival of their butterflies. Hopefully, on Monday there will be lots of surprises!
