Year Six Business Project

On Monday 12th July, Year 6 will be selling the products they have made this term for their Business Project. There is a range of products for sale, and all year groups have already seen samples of the products so that they can decide which, if any, they would like to buy (some are shown below).

If your daughter would like to buy one or more of the products, she will need to bring some money to school with her on Monday. Prices range from 10p to £2.50 and coins would be appreciated in order to make change-giving easier.

Profits from the sale will put towards a fun end of year activity for Year Six to reward them for their hard work in their Business Project.
