

Value of the Month:

Self Esteem
Self Reliance
Self Respect

Winterbourne Junior Girls' School

Year 3 Newsletter 3

Week ending: Friday 24th September 2021

Dear Parents and Carers,

Our girls have been working hard starting their Maths and English learning this week. We have also been catching up on their learning from last year, so in addition to their daily Maths and English lessons, they also do daily phonics and pre-teach Math lessons three times a week. Busy Busy!

The girls were really fascinated in creating their own circuits with their groups. The circuits consisted of the components: a light bulb, a battery and two wires. The girls then drew the circuits as a drawing and then as a scientific diagram.

In maths, the girls have been using dienes manipulatives to understand the place value concept and in English, we have been reading the Three Little Pigs.

Please ensure your child reads to you daily and you or your child records their reading in the record log three times a week!

Please see pictures of what the girls have been up to on the next page!

Topics for the Week

English: Traditional Tales

Maths: Place Value

Science: Electricity

Stars of the Week

3.1 Kelsey and Kimberly

3.3 Alisha and Saffiyah

Bucket Fillers

3.1 Anna
