Winterbourne Junior Girls' School

Year 6 Newsletter 4

Week ending: Friday, 1 October 2021

Next Week ...

English

The girls will be writing shape poems with a focus on Romeo and Juliet.

Maths

New unit: Angles in shapes and diagrams. What properties do some geometric shapes have?

Science

An investigation into gravity and air resistance. What inspired Isaac Newton to formulate his theory of gravity?

The NED Mindset Mission

This Monday, the girls are in for a treat: NED virtually takes our pupils on an interactive educational journey filled with storytelling, illusions, and humour. NED's important message:

Inspiring students to:

- N**ever give up - understand the Power of Yet
- E**ncourage others - spark courage in other people
- D**o your best - always be learning and growing

Earphones for Computing

A number of girls failed to bring in their earphones today. The earphones are important as we use them in the

Computing Coding Curriculum.

Without the earphones, the girls cannot independently work through the computer tutorials at their pace. Please could you ensure you daughter either brings in earphones or brings in £1 to cover the cost of a new set of earphones.
