

Winterbourne Junior Girls' School

Year 3 Newsletter 7

Week ending: Friday, 22 October 2021

This Week...

The girls participated in a whole school enrichment day for Black History Month. They had a chance to visit all the classrooms to complete different activities about famous, inspirational black people from around the world and different time periods.

Some of the people they learned about were Mary Seacole, John Blanke, Walter Tull and Mary Prince.

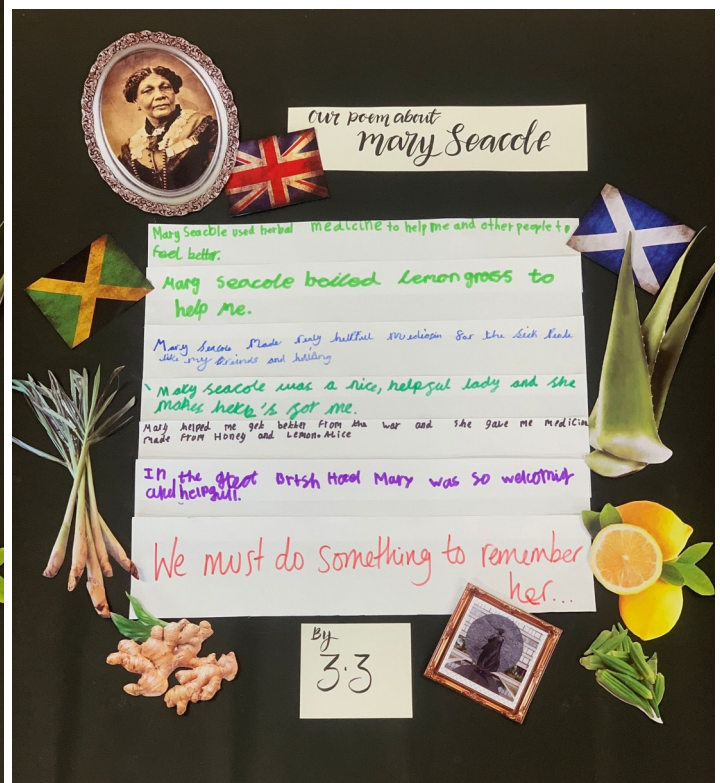

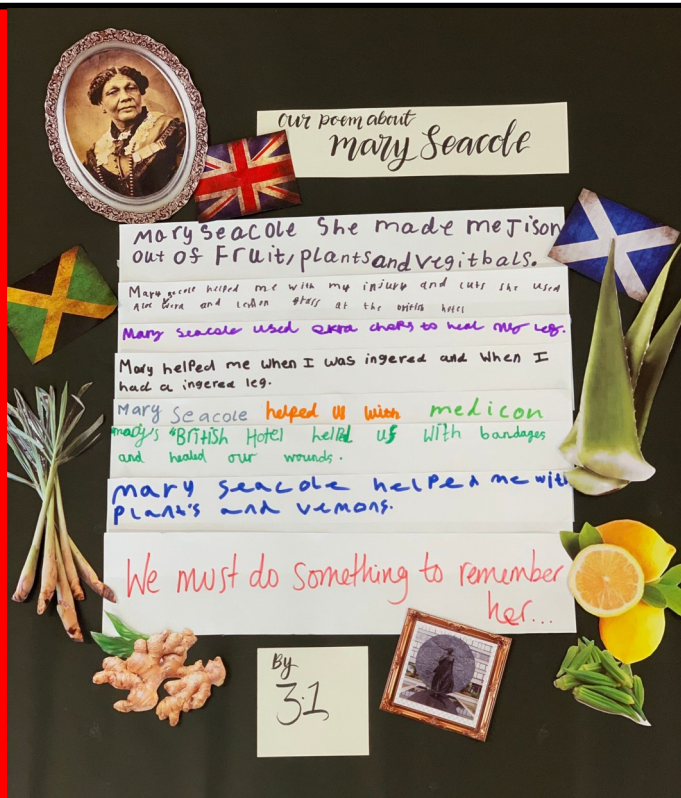

Here are the collaborative class poems 3.1 and 3.3 created yesterday about Mary Seacole and her work in the 'British Hotel' hospital...

Value of the Month

for October:

Forgiveness

**BLACK
HISTORY
MONTH**

Stars of the Week:

3.1: Temidire & Cherlyne

3.3: Makayla & Faiza

Bucket Fillers

3.1 Anna, Fatima & Divine

3.3 Skylar and Armela

Reading

Certificates

3.1: Zunara, Danaya, Mezab, Cecilia & Seher

3.3: Prathesha, Safiyyah & Margarith

OCTOBER

Winterbourne's Wear It Pink Day

Thank you to all the Parents, Carers and Pupils who helped to make today such a successful one with their donations and contributions.

The money raised today will be donated to the Breast Cancer Now charity. We will soon let you know how much was raised today.

Please follow us on our social media and support our school !

**Science & Art this week...**

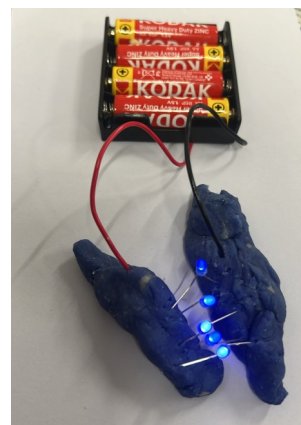

The Year 3 girls had a great time consolidating their understanding of electricity and art installations in their lesson this week. To finish off the topic, the girls created art installations in groups using playdough which acted as a conductor. Pupils also placed an insulator between their conductor.

As the girls enjoyed using playdough, as promised, please see below a link for the playdough recipe. There is also a video for you to follow.

You need the following ingredients:

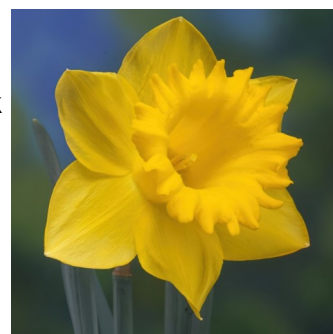

- 8 tbsp. plain flour
- 2 tbsp. table salt
- 60 ml warm water
- Food colouring
- 1 tbsp. vegetable oil

<https://www.bbcgoodfood.com/howto/guide/playdough-recipe>

**GROW A DAFFODIL!**

All children have received a daffodil to grow at home. Follow the instructions so the bulbs have the best chance of growing. Next year, the daffodils will be brought back to school and they will be judged and the children will receive a certificate. The daffodil will be theirs to keep.
