

Winterbourne Junior Girls' School

Year 3 Newsletter 8

Week ending: Friday, 5 November 2021

We're working towards Artsmark
Awarded by Arts Council England

This Week...

The girls have settled back into the school routine with vigour. They have been working hard on learning how to subtract 2 and 3 digit numbers including how to regroup numbers.

In English, the girls have been learning about how to make mud bricks. This is linked to our topic "Who were the greatest builders?" We will be looking at some Ancient Civilizations including the Egyptians and also looking at what was happening in Britain at the same time.

The girls were very interested in Lindow Man and how he became a mummy in a bog in Britain! You can see him in the British Museum!

Photo Day on Monday 8th November 2021!

Please make sure your child is dressed in the correct uniform. You will be able to purchase your child's professional school photo.
