

# Winterbourne Junior Girls' School

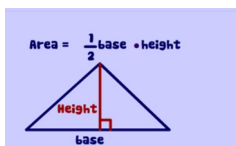

## Year 5 Newsletter

Week ending: Friday 5th November 2021

Please be aware **individual and class photos will take place on Monday 8th November**. Please ensure the correct uniform and hair accessories in the right colours are worn. We will begin our rehearsals for our Harvest Festival next week, please encourage your daughter to learn her lines / songs. Homework is now available for every child on google classroom, please look into the variety of work set.

**Maths:** For our Maths focus, we will be finding the area of triangles. The girls will learn about different triangles and identify the length, width and height of each. A useful website to practise how to calculate the area of a triangle is: <https://eng.mathgames.com>

### English:

Next week we will learn more about the background of the characters in the book and look at an account of what it was like to be evacuated during the Second World War. We will also use non-fiction texts to learn about harvests around the world and the history of Bonfire Night (Gunpowder Plot).

### Topic: Mysterious Materials

**Science:** We will be learning about dissolving. The girls will plan investigations to identify materials that are soluble and insoluble. They will also investigate factors that affect dissolving.

**Art:** We will be creating wire sculptures.

**Religious Education:** We will be investigating different accounts of the Christmas story.

**Computing:** In computing we are changing variables in a game and seeing how the controls and speed make a difference to the character.
