

Winterbourne Junior Girls'

Year 5 Newsletter

Week ending: Friday 17th December 2021

- Thank you to all the girls in Year 5 this term for their hard work, positive attitude and dedication to learning. We hope that you have a lovely Christmas holiday and return to school Wednesday 5th of January 2021 fresh and ready for the challenges to come.
- Please remind your daughter to read for at least 15 minutes every day.

Maths:

We will learn how to multiply a mixed number and a whole number. Also, we will solve up to 2-step word problems by applying the concept of multiplication of a whole number and a mixed number. The following websites will help you: <https://www.mathsisfun.com/mixed->

$$1\frac{3}{4} \times 2\frac{1}{2} = ?$$

$1 \times 4 + 3 = 7$
 $2 \times 2 + 1 = 5$

$$\frac{7}{4} \times \frac{5}{2} = \frac{35}{8} = 4\frac{3}{8}$$

English:

Next year, we will be reading 'Kensuke's Kingdom' by Michael Morpurgo. He has written lots of books and short stories for children: the picture shows a selection of just some of his better known books. You can introduce your child to this famous author by logging onto IGfl website and visiting the reading zone.: readingzonelive.igfl.org.uk/morpurgo.html. She could also visit the school website and listen to the first chapter of his fabulous book 'Shadow'.
