

Week ending: Friday, 14 January 2022

This week....

The girls completed their snapshot reports about Guatemala. Their reports are all published and ready to be displayed on our walls. Their final paragraphs included detailed descriptions of what the cities and towns in Guatemala are like. They used their five senses and wrote expanded noun phrases to bring their description to life!

Next week..

We have science Enrichment Day on Monday 17th January 2022! The girls will get a chance to complete different science experiments in different classes.

STARS OF THE WEEK

3.1: Zunara and Cecilia

3.3: Ajwa and Hiya P

Bucket Fillers

3.1: 3.1 Class

3.3: Basta, Amaya & 3.3 Class

Division using the Bus Stop Method:

Year 3 definitely reflected this month's value, ambition as they demonstrated an 'I Can' attitude when learning the Bus Stop division method.

They used these steps to help them achieve it:

1. Divide
2. Multiply
3. Subtract
4. Bring Down

Next week, we are starting a new topic in Maths, Length.

English:

We will be writing a diary entry from a girl called Lxchel's point of view from the book Rainbow Weaver. The young girl has a passion for weaving and she lives in Guatemala.

The girls can listen to the story being read by using this link:
