Week ending: Friday, 24 January 2022

This week...

The girls had a wonderful and exciting day on Monday when they had a Science enrichment day. They investigated fingerprints, the best toothpaste, how to make a dinosaur, and investigated the effects of fluoride. The girls enjoyed the day and learnt a lot. They are on their way to achieving their Crest Awards.

Next week...

We will continue to learn about length. The girls have enjoyed measuring the height and length of objects. Encourage your daughters to use their skills at home. What different things can they measure?
