

Winterbourne Junior Girls'

Year 5 Newsletter

Week ending: Friday 28th January 2022

This week the girls participated in Holocaust Memorial Day. The theme for this year's special day is "One Day". The girls marked this day by reflecting on the stories they heard and made remembrance candles.

Please continue to encourage your daughter to keep reading for at least 15 minutes every day and to keep taking Accelerated Reading quizzes.

Maths

Next week, we will be working with decimals: converting them and multiplying them by tens, hundreds and thousands. Your daughter needs to remind herself about the place value of each digit within a number, including place value to the right of the decimal point.

Here's a look at the chart below:

	Thousands	Hundreds	Tens	Ones	Tenths	Hundredths
Number: 3 × 10	3					
Number: 1 × 10		1				
Number: 0.1 × 10			0			
Number: 0.01 × 10				0		

English

Next week, we will be writing from a very different viewpoint: Stella the dog. We will analyse Stella's personality and priorities in detail, before writing about events on the island from her perspective.
