## Year 4 Newsletter

Week ending Friday 11th February 2022

### This week's Learning

This week, pupils have continued their letter writing using a range of sentence types, persuasive devices and punctuation for effect.

They have also completed assessments in Reading, Maths and Grammar Punctuation and Spelling.

In keeping with our History topic pupils have continued looking at the Roman influence with respect to Art and have researched the importance of Mosaics in Roman times. They have designed mosaic patterns of their own.

In RE, they have looked at Government's responsibility with regards to the Rights of the Child and this has allowed them to recognise how the Jewish community sees their responsibilities toward God.

### It's Children Mental Health Week!

On the theme 'Growing Together' the children were encouraging to reflect upon how they have grown and how they can help others to grow. The children discovered the 'Power of YET', every day they listen inspirational stories and they are empowered with the thought that it is important to believe in ourselves.

Mental Health is extremely important as it can affect academic learning. It affects how we think, feel, and act. It also helps determine how we handle stress, relate to others and we make choices.
