

The value of February is Love

How can you love the environment?

Winterbourne Junior Girls' School

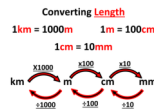

Year 5 Newsletter

Week ending: Friday 11th February 2022

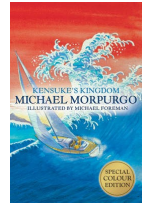

• We hope you enjoy this half term break and look forward to seeing you back on Monday 21st February. This week we have had assessments and we have been spoken to about our current academic levels and what we need to do in order to improve! Please discuss this with your daughter.

Maths We will be focusing on measurements and how to convert between them for example grams to kilograms and millilitres to litres. It would be great if you could spend some time discussing measurements using the kitchen and food! Baking and looking at the amount in water bottles in a brilliant way to spark that conversation. The fun website below also looks at conversions between measurements <https://www.bbc.co.uk/bitesize/topics/>

English We have come to the end of the fantastic book Kensuke's Kingdom. Michael is finally saved and we have produced brilliant writing in different genres over the past 6 weeks. Next term we will be reading the book 'Thief!' by the talented author **Malorie Blackman**. Please research/ speak to other people about the book and how they liked it!

Reading Certificates

- 5.1 Dano, Zaina, Sadia
- 5.2 Zainab, Leeandra, Mayokun, Aliza
- 5.3 Inaya, Gisela, Maria, Areesha, Yara

PE Certificates

- 5.1 Jamelia & Assia
- 5.2 Lilly & Saffiyah
- 5.3 Yasmin

Kindness Certificates

- 5.1 Jamelia & Inaaya
- 5.2 Ifra
- 5.3 Yasmin

Class Certificates of the Week

- 5.1 Hibatul & Jasmine
- 5.2 Maria & Pavani
- 5.3 Dereen & Aaliah

Word of The Week

infer

Idiom of the Week

Spanish Certificate

- 5.1 Alina
- 5.2 Mayokun
- 5.3 Huria

Topic: Who are we and why do we live here?

In **Computing** the girls will self reflect and create and design a game box.

For **Topic** learning we will be learning about fairgrounds. The children will learn about the history, the location and will use this knowledge to design a shaky hand tester for a fair ground.

The **Science** learning will focus on electrical circuits.

Weekly Homework

Ten minute Maths and English workout for Monday

myON

Maths homework

3 **Reading Record** entries per week.

Online homework: Google Classroom

10 minutes workouts Maths and English.

This week we celebrated two very important days. The first focused on the well being and mental health of children. It is important and vital that we recognise the varied

emotions of our children and enable them to talk about their feelings. The second focused on how to keep our children safe on the world wide web and social media. Please speak to a member of staff if you have any concerns or worries.

Please follow us on Twitter and Instagram to support our school @WJGSS
