

The value of February is Love

What did you love about your holidays?

Winterbourne Junior Girls' School

Year 5 Newsletter

Week ending: Friday 25th February 2022

We hope you enjoyed your week off. We are now officially half way through the academic year! Next week Thursday 3rd March we will be celebrating World Book Day! Please come dressed in your best fluffy pyjamas. For D & T, please bring in a box (shoe box size) each to create your own shaky hand tester!

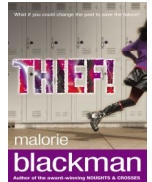

Maths We will be learning all the different ways in which we can find averages. Averages are important when finding and collecting data. Can you think of what the mean, median and mode mean? How about the range? The following website helps to explain the averages. <https://www.bbc.co.uk/bitesize/topics/zm49q6f/articles/z99jpbk>

Mean
Median
Mode
Range

Frequency Table

Number	Tally	Frequency
1		4
2		4
3		4
4		4
5		4

English We have started reading 'Thief!' by the extremely talented author Malorie Blackman. Next week we will be planning, writing and performing a play (script). Research plays and the features of how to write a play. Have you been to the theatre before? Use the internet to research how plays are different to films and books.

Reading Certificates

- 5.1 Isabela
- 5.2 Vesta, Mahira, Mayokun, Farheen, Aliza, Maria, Zainab
- 5.3 Yara, Maria, Eshal, Gisela

- 5.1 Naomi M & Zhema
- 5.2 Maria & Leandra
- 5.3 Inaya & Yasmin

Kindness Certificates

- 5.1 Cecilia
- 5.2 Stella
- 5.3 Mahek

Class Certificates of the Week

- 5.1 Olivia & Favour
- 5.2 Zainab & Imade
- 5.3 Emily & Fareeha

Word of The Week

Illustrate

Idiom of the Week

Spanish Certificate

- 5.1 Zhema
- 5.2 Sara
- 5.3 Maria

Weekly Homework

Ten minute Maths and English workout for Monday

myON

Maths homework

3 Reading Record entries per week.

Online homework: Google Classroom

10 minutes workouts Maths and English.

Topic: Fairgrounds

In **Computing** the children will use a programme on purple mash called 2design to explore the different viewpoints whilst designing a building. For **Topic** learning we will be designing and making an electrical wire hand shaker. The **Science** the girls will identify electrical conductors and insulators. They will explore different materials.

International Mother Language Day is celebrated every year on the **21st of February** and the purpose of this day is to raise awareness of language, cultural diversity and multilingualism around the world. Some girls from year 5 made us very proud as they visited the Mayor of Croydon. Here they presented and sung in different languages and they represented our school fantastically! Pictures of the event are on Facebook and Instagram.

Please follow us on Twitter and Instagram to support our school @WJGSS
