# Winterbourne Junior Girls' School

## Year 6 Newsletter 21

**Week ending: Friday, 22 February 2022**

### This Week's Learning

#### English

This week we read *The Lady of Shalott* and analysed parts the poem. The girls then wrote a short summary of the poem. They included the five senses when describing how the curse was made.

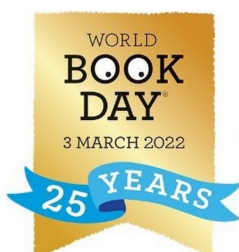

#### Mathematics

We worked on finding the area and perimeter of shapes (relating to squares, rectangles, triangles and circles). The girls also calculated missing lengths to find area and perimeter of composite shapes.

#### Science

The girls learnt how to identify how animals and plants are adapted to suit in the warmer environment in different ways. The process adaptation may lead to evolution.

#### Reminders

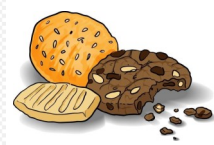

**Thursday, 3 March**

Please remember that the girls will need to wear their clean and presentable

pyjamas this Thursday when we celebrate **World Book Day**.

Teachers will be moving throughout the school reading stories to each class during the course of the afternoon.

The girls will also be provided with hot chocolate and biscuits to enjoy while listening to their book during the reading marathon.
