Curriculum

Class Text: The Tempest

English: Monologues

Math: Tenths and Hundredths

RE: Christianity

Is forgiveness always possible for Christians?

Geography Unit: European Regional Study

This week pupils have begun reading *The Tempest*— a play by Shakespeare. They have explored Monologues and have started to write one of their own as a character from the play.

In Maths, they identified, discussed and drew parallel and perpendicular lines using a set square and ruler.

We celebrated International Women's Day on Tuesday. Pupils completed an activity based on "Gender Lightbulb Moment", discussing instances when they were first made aware of issues surrounding gender. As a school, we envisage a world that is diverse, equitable, and inclusive and recognise that together we can #BreakTheBias.

In RE, we looked at the concept of forgiveness, with reference to *The Last Supper*. Pupils listed reasons why they should forgive someone.
