

The value of March is **Hard work**

How does hard work help you achieve your goal?

Winterbourne Junior Girls' School

Year 5 Newsletter

Week ending: Friday 11th March 2022

• Thank you to all parents who attended parents evening! We loved seeing the children speak to you about their targets and how they will achieve them. Please keep reminding them about working hard!

• **Next Monday**, 14th March we will be celebrating **Science Enrichment day!**

Maths Next week we will be solving 2 step word problems involving percentages. The girls will be introduced to the following terms: insurance, discounts, service charges and annual interest. They will continue to use the two methods taught previously to solve word problems. The following website is helpful for practise <https://www.bbc.co.uk/bitesize/topics/znjqtr>

English Next week, we will be writing a letter from Lydia's dad to a friend. We will analyse his feelings towards the situation and think about how he would express them.

Please continue to encourage your daughter to keep reading for at least 15 minutes every day and to keep taking AR quizzes.

Reading Certificates

5.1 Inaaya, Tamia, Tehreem

5.2 Mayokun

5.3 Areesha, Yara, Maria, Gisela, Huria, Fareeha

PE Certificates

5.1 Noami

5.2 Ajwa & Imade

5.3 Jisha

Kindness Certificates

5.1 Shanecia & Lava

5.2 Noadiah

5.3 Yara

Class Certificates of the Week

5.1 Hiba & Naomi M

5.2 Pavani & Noadiah

Word of The Week

conquer

The Green project!

based in Thornton

Heath Community gardens is back on! Letters have been sent out via ParentMail - please sign up quickly if interested .

Topic: Fairgrounds

In **Computing** the girls will explore how to edit a polygon 3D model and design a 3D model for a purpose. For **Topic** the children will be using the 2design and 2make programmes to design packaging for an item. The **Science** the children will compare how items move on different surfaces. The girls will discuss the effect of friction.
