

Value of the Month
for March:
Hard Work

"Self-belief and
hard work will
always earn you
success."

Winterbourne Junior Girls' School

Year 6 Newsletter 23

Week ending: Friday, 11 March 2022

This Week's Learning

we focused on reading
comprehension skills.

Mathematics

The girls solved reasoning problems
involving volume.

Science

In Science this week, we

researched how birds have different
shaped beaks or bills for different
uses. They used Virtual Reality
googles to observe different birds
and their beaks. They also
discussed that the birds that are
alive today have beaks that suit their
survival. Due to natural selection,
these birds have survived; this is
survival of the fittest.

English

The Lady of Shalott: This week we
focused on writing a poem about an
emotion. On Thursday and Friday
