

Winterbourne Junior Girls' School

Year 5 Newsletter

The value of the month is **Hard work**

How does hard work help you achieve your goal?

Week ending: Friday 18th March 2022

- This has been a fun filled week! We have had the start of clubs through out the lunch hour, Science Enrichment day and Red nose day. Thank you for all the support and encouragement from home! Next week is 'Big Walk and Wheel Week'.
- We would love to see more of our students on bikes and scooters as the weather warms up. Please ensure your daughter brings her water bottle to school.

Maths

We will continue to look at percentages in more depth and in wordier lengthier questions. The children have a good grasp of how to calculate a percentage of a number. We will now enhance this skill by focusing on discounted amounts and percentages of a particular number or amount.

English

Next week, we will be analysing Chapter 8: the heart-wrenching incident in the supermarket carpark. We will be exploring Lydia's and Anne's feelings leading up to the incident, and writing a newspaper article describing events from both view points.

Reading Certificates

- 5.1 Assia, Cecilia, Sadia, Jamelia, Alina
- 5.2 Mayokun, Aliza, Farheen, Elgiver, Zainab
- 5.3 Yara, Areesha, Maria, Emily, Eshal, Huria, Abia, Gisela, Jashwini

Week

savour

The Green project! Is back. Yr 5 girls have now been selected and we look forward to starting this exciting project!

Topic: Fairgrounds

Science: Next week we will be revisiting the topic forces. We will learn about the different types of forces including levers and pulleys.
R.E: We will recap the events leading up to Jesus' death. The girls will write paragraphs explaining whether it was Jesus' destiny to die and did he know he was to die.
Computing The girls will be using the 2Diy3D programme to design a package for a gift. The girls will print and make their designs.
DT: We have made our shaky hand testers. Next week we will make add our circuits to our design.
