Class Text: The Tempest

English: Narrative

Math: Revision and Assessment

RE: Christianity

Is forgiveness always possible for Christians?

Geography Unit: European Regional Study

This week pupils commenced writing a short story based on the theme of Forgiveness. They planned their story and introduced their setting and characters.

In Maths, they expressed fractions as decimals up to three decimal places. (thousandths)

In ICT, pupils continued using the 2Logo programme to create various shapes, experimenting with the "Repeat" command.

Our "Walk and Wheel to School" week was a huge success. This shows that our pupils now have greater appreciation for regular exercise and for the benefit of a greener environment. As a reward for their dedication to the challenge, they enjoyed a 20 minutes Scooting/ Biking Marathon which they thoroughly enjoyed. Thank you parents for your support. Please note that pupils can continue to scoot, ride or walk to school in the coming weeks.
