

Winterbourne Junior Girls' School

Year 4 Newsletter

Week ending Friday 4th March 2022

This week pupils have completed their newspaper reports. In Maths, pupils have developed a good understanding of using the 8 point compass to state directions after turning through an angle from a given point.

In Geography, they have used Google Earth to describe the key features of Europe and have researched main religions, languages, rivers, mountains and manufactured goods.

On Thursday, we celebrated World Book Day, joining schools across the country for an online lesson organised by the BBC. Pupils completed a synopsis of and an advert for their favourite story. In the afternoon, they were treated to hot chocolate and a biscuit while listening to a story read to them by members of the teaching staff.

Curriculum

Class Text: The Tempest

English: Monologues

Math: Parallel and horizontal Lines

RE: Christianity

Is forgiveness always possible for Christians?
