### Week ending: Friday 4th March 2022

.....  
• We have had a fantastic week with the children on task and engaged! On Monday 7th and Tuesday 8th March we have Parents evening . This parents evening is led by your daughter and she will explain what her targets are and how she will achieve them. Please come with your daughter and only up to 5 minutes prior.  
.....

**Maths** In maths next week we will be focusing on how to convert fractions into percentages. Once this knowledge is secure we will move onto finding quantities of percentages in word problems. The questions are usually based around real life shopping experiences !To help your daughter please talk to her about how percentages work in shop sales and how she can work out how much of a discount you may have!

### English

Next week we will be writing a diary entry from the view point of Lydia—the conflicted character in *Thief*. The girls will consider how Lydia's emotions are shown in the text and will carefully select matters that are of most importance to her.
