The value of April is honesty

THE FIRST STEP TOWARD GREATNESS IS TO BE HONEST

Are you always honest?

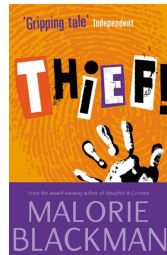

Week ending: Friday 1st April 2022

- We have been celebrating bike and scooter week and the girls have done a
- fantastic job of bringing their scooters in or walking to school. Our assessments
- have gone well and the girls are flourishing, please encourage them to talk about
- the amendments they need to make to ensure even more progress into the summer term.

Maths In maths we will be focusing on multi step word problems. We will concentrate on the method each child uses and aim to encourage a systematic approach to answers.

Easter

Please be aware that our last day of school is Friday 8th April at 2pm. Next week we

have performances and fun activities planned for the children in the afternoons. We have launched our Art carnival competition which is due in 27th May. The competition asks the children to create a piece of art work to convey what art work means to them. Examples will be displayed around the classrooms!
