

# Winterbourne Junior Girls' Year 4 Newsletter

**Week ending Friday 29th April 2022**

## Welcome back to school and the Summer Term.

This week, pupils have started their Science unit "How do we see? How do we hear?" by responding to a letter from someone who has asked for suggestions on how to solve the problem of lack of sleep due to noise and light. They have started reading the novel "SeaBean" and have written predictions about the story and genre. They have also written their introduction to a short Sci - Fi Story.

In PSHE, they looked at the effects of jealousy and gave suggestions to overcome jealous feelings using given scenarios.

Pupils have begun to experiment with the 2Animate programme in ICT, developing an understanding of animation frames. They have used these to create simple animation.

In RE, pupils have discussed how their roles and responsibilities change over time and have created a timeline of their life so far.

## Curriculum

**Class Text:** SeaBean

**English:** Narrative

**Math:** Rounding Decimals

**RE:** Judaism - What is the best way for Jew to show commitment to God?

**Science Unit:** How do we see? How do we hear?
