Week ending: Thursday, 26 May 2022

Thank you for attending the **Jubilee Royal Variety performance** yesterday, it truly was a special afternoon! We're extremely proud of the girls and thank them for the team work displayed. We hope the girls will look back at this event fondly and remember this great moment in history!

Jubilee Enrichment Day

The girls had an interesting two days learning about the decades the Queen lived through. They created crowns using the string block printing technique to commemorate the Queen's coronation in the 1950s, they learnt how to sew, create moving mechanisms, create 3D clay sculptures in the style of Henry Moore from the 1940s, learn iconic dance moves from the 1980s and much more!

To extend our learning from this half term, complete the Nature Activities from the London Wetland Centre! Remember, you were given your login details in an envelope.

For each activity you complete, collect a virtual badge. If you collect ten virtual badges, you will become a Guardian of the Wild. You will receive your Guardians certificate and pin badge in assembly.

Here is the link: <https://generationwild.wwt.org.uk/activities>

Parents, do visit the London Wetland Centre with your free family tickets; there's lots to see and lots to do!

HALF TERM CATERPILLAR CAM

Don't forget to check Google Classroom for picture updates on our class caterpillars. All of our caterpillars have turned into Chrysalis and are on their way to becoming butterflies. We are expecting some of the chrysalis to transform into butterflies over the half term and we hope to release them altogether as a year group when we come back.

Week 30 Spellings:

1. anchor
2. orchestra
3. stomach
4. monarch
5. ache
6. character
7. echo
8. scheme
9. Chemist
10. chorus

Rockin' Robin 3.1's contribution to our Royal Variety Performance

Don't forget to log into MyOn to read books and complete quizzes at your ZPD level. We will be checking who is reading online and we will check your record logs after half term.
