## Year 3 Newsletter

Week ending: Friday, 6 May 2022

We're working towards Artsmark  
Awarded by Arts Council England

### We hope you had a restful bank holiday weekend!

This week has been super exciting as Year 3 have received their butterfly kits with live caterpillars! Over the next few weeks, each Year 3 class will be watching their 33 caterpillars grow into chrysalis/pupas and then into beautiful butterflies.

When the live caterpillars arrived, we separated the tiny caterpillars into their own plastic cups filled with the nutritious food they need to grow to TEN times their original size. We will update you on their growth as the weeks go by!

### STARS OF THE WEEK

3.1: Davina & Kelsey

3.3: Myra & Alisha

### Bucket Fillers

3.1: Adrianna

3.3: Abigail & Hiya P

### Maths:

We have been continuing with the topic time. We learnt about how to measure time in seconds using a stopwatch. Encourage your daughter to use an online stopwatch (on your phone or website) to time themselves doing different activities.

### Pre-teach Maths:

We have started the new topic, fractions. We have been recapping that a fraction is an equal part of a whole. We have been identifying  $\frac{1}{2}$  and  $\frac{1}{4}$  in different shapes.

### English:

The girls have been practicing how to write speech using inverted commas. They have been following a checklist. Here are some important tips when writing speech:

- Put inverted commas around the spoken words.
- Put a . or , or ! or ? before closing the inverted commas.
- Write who is speaking and how they are speaking (reporting clause)
- NEW speaker, NEW line.
