

Winterbourne Junior Girls' School

Year 4 Newsletter

Week ending Friday 6th May 2022

This week pupils completed their Sci Fi short story, writing some interesting plots. They have incorporated features of the genre, genre specific vocabulary, literary devices and a range of sentence types. This week, they were introduced to two new sentence types: 3_ed Sentence and 2Pairs Sentence.

In ICT, The Onion Skin, Sound and Background tools were used to develop their animations in the programme 2Animate.

They were able to identify ways in which Jews show their commitment to God in RE, while in PSHE, they discussed the range of emotions experienced when someone suffers a loss.

In Maths, they rounded decimals with one and two decimal places to the nearest whole number and tenths.

Pupils have begun practising the events in Sports Slam.

Curriculum

Class Text: SeaBean

English: Newspaper Report

Math: Adding Decimals

RE: Judaism - What is the best way for Jew to show commitment to God?

Science Unit: How do we see? How do we hear?
