

# Winterbourne Junior Girls' School

## Sports Week Newsletter

Monday 13th—Friday 17th June 2022

Next week Winterbourne Junior Girls' School will be having our Sports Week.

This will include:

**First Aid Training**

**Scoters**

**Basketball, Volleyball, Netball**

**Cricket, Athletics and Table Tennis House Competitions**

**A Finale of fun sports activities AND a**

**Whole School Zumba session to which all parents are invited to take part**

They will have at least one session per day as well as taking part in the **'Daily Mile/Dance'**. This is where the children, and staff, will walk, run, jog or dance for roughly a mile around our school's Daily Mile route.

Children are asked to wear their school PE kit and trainers to school each day in order to comfortably take part in all the activities.

We would also advise that children follow the 'Sunsafe rules' i.e. sunblock, hat and sunglasses (just in case!), they should also bring a water bottle to school every day.
