What an exciting sports week!

This year's sports week has been linked with the commonwealth games which are taking place in Birmingham! The theme for this year is belonging — a place in sport for every child.

The girls have been busy playing different sports throughout the week! They have shown that they can be team players and in spite of the hot weather this week, the girls have persevered and shown grit and determination. The winning house for Sports Week will be announced on Monday once all their points have been counted up!

FIRST AID TRAINING

The girls completed first aid training this week with the FAB First Aid team. They have learnt what to do using the D-R-A-B-C checklist and who to call when there is an emergency. They have received a book from the team which has everything they need to remember. Please ensure your daughter keeps this safe! Here are pictures of the girls performing CPR on dummies.

Here are pictures of the girls participating in the egg and spoon race and crossing the river game in their house teams:

We also had a Year 3 PE festival. The girls participated in four different sports activities. We look forward to implementing them in our PE lessons.

It's
Father's
Day on
Sunday!
