

Winterbourne Junior Girls' School

Year 5 Newsletter

Week ending: Friday 17th June , 2022

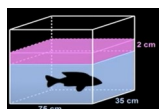

The summer sun is wonderful but remember to remind your daughter to keep safe in the sun-shine. Make sure she wears sun-cream, wears a hat if possible and knows to seek shade on sunny days. Also, she should bring a water bottle to keep well hydrated. The girls had a fantastic time this week learning first aid and participating in various activities for Sports' Week.

Maths:

Next week we will be looking at word problems involving volume. Please ask your daughter to tell you the formula for finding the volume of a 3d shape. You can find useful information on this website:

Word of the Week

English:

Next week, we will be describing a sea storm from Cherry's point of view. The girls will be analysing the events and Cherry's emotions before writing their own description from a first person perspective.

Year 5 had their first aid training this week.
