Windrush Celebration 2022

The school had a lovely time participating in the Windrush celebration on Thursday 23rd June. We had the privilege to welcome the Mayor of Croydon, the Mayor's consort Mark, Mr Gilbert Clarke and Ms Charles. It was a celebration to mark the arrival of the Windrush ship which arrived on the 21st June 1948 and the contribution this generation made to

Maths

The girls have progressed from identifying equivalent fractions to learning how to find the simplest form of fractions. They have been using their knowledge of multiplication and division and drawing diagrams to help them find this out.

Please ensure your girls are practicing their timetables on a daily basis. The more confident they become at using their timetables in Year 3, the better it is for Year 4. Not long left!

They can practice on: Hit the Button - <https://www.topmarks.co.uk/maths-games/hit-the-button>

FRACTIONS

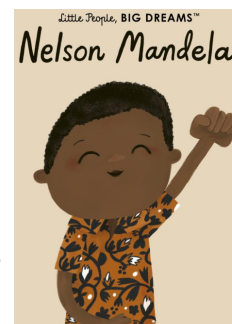

English

As we continue to read Journey to Jo'burg, we are understanding the realities of South Africa at the time the book is set. In our writing lessons, the girls have been learning about the Apartheid and writing a report. They have also used this opportunity to practice writing powerful, informative list sentences with commas and colons.

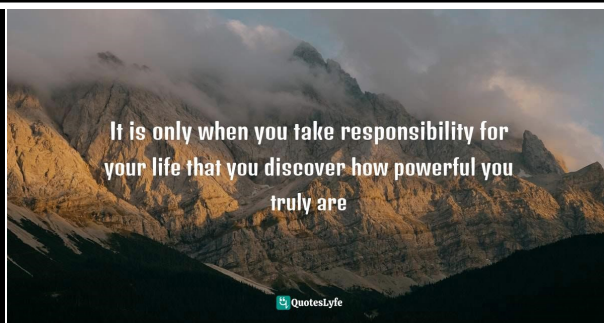

As we have learnt about Nelson Mandela's inspirational life and his contributions to ending the Apartheid, please listen to this picture book about Nelson Mandela's life.
