Week ending: Friday, 01 July 2022

Please don't forget to book your parents evening slot. Parents Evening will be on Monday 11th July and Tuesday 12th July.

We have also handed out the PHSE letter about your daughter's upcoming lessons. Please read, sign and send the letter back with your daughter on Monday.

Don't forget
parents
evening!

English: The girls have been practicing their newspaper writing skills as they are writing a report about Naledi and Tiro's brave journey to Johannesburg, to find their mother. They are getting good at using inverted commas to write direct speech and they were introduced to writing reported speech today.

Maths: We are still doing fractions in Maths. The girls learnt how to compare fractions with the same denominator as well as subtract fractions from a whole. They are developing their understanding of how whole can represent different types of fractions.

Art:

The girls created a portrait of Mr Gilbert Clarke. First, they traced over a picture of Mr Gilbert Clarke's face, and used a value chart to help with the shading of his face. The girls really focused on Mr Gilbert Clarke's prominent features.

Some girls challenged themselves further by creating a tonal newspaper collage of Mr Gilbert Clarke. They identified the dark, medium and light colours on the photograph and used ripped newspaper to create shades.

Farm in a box:

Year 3 were lucky to receive boxes full of countryside paraphernalia. It's to help pupils appreciate how their produce comes from the farm to their supermarket shelves.

One of the activities was to compare two types of bread and write about their texture, taste and smell. They learnt about how bread flour is made and then how bread is produced in factories. Another activity was touching unknown objects from the box, describing them and drawing them. Objects included things like: wheat, seeds and hay.
