## Year 4 Newsletter

Week ending Friday 1st July 2022

This week, pupils concluded their diary entries using a range of text features and sentences structures.

In Maths, they consolidated work on decimals, concluding with two-step decimal word problems.

In ICT, they continued to refine their internet search skills, researching answers to a variety of questions across the curriculum.

They have explored the concept of Baptism in Christianity and can now explain the baptism ceremony as a symbol of the commitment to living life as a Christian.

We introduced our final unit for PSHE—Changing Me – and discussed how our personal characteristics have come from our birth parents.

We continued our History topic—Journeys by completing a timeline of the railway.
