This has been an exceptional week. Not just the record temperatures and the unprecedented weather, but the number of special events that have taken place this week.

On Wednesday evening it was great to see so many of you at our Celebration of Achievement. The girls' excitement did not just relate to the feverish anticipation of the awards, both nominees and winners, but the chance to dress up for one of the most important events of the year.

The girls did us proud with their performances, many hours of practice went into the singing, dancing and drumming which we saw during the evening. Congratulations to all the girls who received awards; they are all winners in our eyes and have done brilliantly this year.

## End-of-Year Assembly

Yesterday, the girls attended their final assembly for the year. Khadija and Fatima were awarded the certificates for **Students of the Year for 2022**.

At the end of day, Year 6 and the leaving staff assembled in the middle of the playground with the entire school encircling them to say goodbye. The school sang *I believe* to them for the last time.

We know that all the girls are well prepared for their new schools in September, and that they will thrive and make new friends. We will miss them greatly and look forward to their visits in the autumn!

## Staff Farewell Announcements

This year we say goodbye to Mrs Powell, Mrs Renouf and Miss Konyani. It is with great sadness that we also bid farewell to Mrs Doyle who has decided to retire after dedicating over 25 years to the school. You might be surprised to learn that she was once a pupil here many years ago and distinctly remembers many of the headteachers.

## Dear Girls

This year, you have made teaching one of the greatest jobs in the whole world.

We will always remember the things that we have shared this year. You have smiled, laughed, studied, learned, played, cried and enriched your lives during the year.

These are the memories that you have for life.

We share your aspirations and expectations for the future. So wherever you go, whatever you do, whoever you become, we will always be interested to hear from you and what you have to share as you move forward with your journey in life.
