

# Winterbourne Junior Girls' School

## Year 4 Newsletter

Week ending Friday 7th July 2022

This week, pupils have begun their Discussion text, writing their introduction and discussing points in favour of the topic under review.

In Maths, they used a timeline to calculate word problems involving duration of time.

In PSHE, pupils discussed changes that have been and may continue to be outside of their control and ways of managing the feelings associated with those changes.

Our Pupils also showcased their musical talent at our SoundStart concert.
