

# Winterbourne Junior Girls' School

## Year 5 Newsletter

**Week ending Friday 16th September 2022**

During this week's writing activities, pupils planned and wrote a character description where they described the character's visual appearance and personality traits. The description allows the reader a better understanding of the character.

In Maths, pupils read and wrote numbers up to one million in numerals and words.

To commence our topic: *Why would someone build a castle here?*, we discussed WW1, and used primary sources i.e. photographs to understand what life was like during the war. We also discussed how we commemorate it.

In PSHE, we discussed and wrote personal learning goals for the academic year and highlighted and listed the positive aspects of our school.

In Spanish, pupils learnt how to introduce themselves and greet each other.

In RE, pupils discussed what it means to make a commitment to a cause.
