### This Week's Learning

This week the girls have taken assessments in SPaG, Reading and Maths. We will be using the results of these assessments to help us assign sets in English and Maths.

### Reminder

**Saturday Tuition** is from 1.30-3.30. Girls should arrive no earlier than 1.20 pm.

**PE Kit** must be worn to school all day on Mondays and Tuesdays—girls will not be getting changed in school.

### The Geography project this term

Is 'Growing up Around the World.' This project will provide our girls with a unique insight into what it means to grow up in different parts of the world, exploring the challenges, hopes and dreams of 10 children from different parts of the globe, and the impact of the world around them.

This week, the girls used their mapping skills to locate the countries on the world map. We will also be exploring the physical and human geography of these

countries to investigate how it affects their development.

### Book of Condolence

Today, Friday, the girls have had the opportunity to write a message in the WJGS Book of Condolence. This has enabled them to practise formal writing and express their ideas concisely, so that the whole class can write their messages in the book neatly and legibly. Parents and staff have also made entries in the book.
