This Week's Learning

This week in Maths we have been learning about Algebra.

We have started learning about the Solar System— Science is the focus of our What's Out There? topic this half term. The girls have identified the 8 planets in our Solar

system and found out about their different attributes.

The girls have researched ten different countries as part of their continuing Geography project.

Roald Dahl Day

Today, Friday, we have seen some amazing costumes celebrating Roald

Dahl Day, and have raised an impressive sum for Roald Dahl's charity.

All the girls really enjoyed the day, particularly our reading marathon this afternoon, and the excitement of the Roald Dahl Raffle. Congratulations to all who won costume or raffle prizes!
