Topic Day!

Year 3 had a blast at creating their own electrical house based on the story of The Three Little Pigs/The True Story of the Three Little Pigs. They used their knowledge of circuits, insulators and conductors to create two series of circuits. They had to understand what different switches are used for and also problem solve when their circuit failed.

They got the opportunity to use cool glue guns to build the roof section (made with corrugated plastic) of their house.

Here are some photos from the day:

Pink Day is on Friday 21st October 2022. We will be raising money for the Breast Cancer Now Charity. Please ensure your daughter wears pink on the day. She needs to bring in £1 to wear pink. There will also be nail polish (50p-75p) and refreshments (75p) on sale.
