

Winterbourne Junior Girls' School

Year 5 Newsletter

Week ending Friday 21st October 2022

This week, pupils have written a persuasive text. They wrote as Aslan from the Lion, The Witch and The Wardrobe, convincing the animals of Narnia to rebel against the rule of the White Witch and free Edmund from her spell.

In Maths, they have multiplied and divided whole numbers by 10, 100 and 1000 and can explain the movement of the digits when multiplying or dividing.

On Monday, pupils carried out a catapult investigation during their Science lesson which was linked to our History topic *Castles*. They used the catapults to launch missiles to determine the distance each missile would travel. This investigation allowed for pupils to understand the relationship between potential and kinetic energy.

Following on from last week's PSHE lesson where pupils designed a game and created a class charter, pupils listed the rewards and consequences for each rule on the charter.

Pupil also observed Breast Cancer Awareness Month

Curriculum

Class Text: The Firework-Maker's Daughter

English: Setting Description

Math: Order of Operations

RE: Christianity

Science Unit: Mysterious Materials

10 min Eng-lish & Maths Summer Workout 8
