

Winterbourne Junior Girls' School

Year 3 Newsletter

We're working
towards Artsmark
Awarded by Arts
Council England

Week ending: Friday, 30 September 2022

This week...

Maths: The girls have been using a range of strategies: using the number line, column method and number bond method to add three digit numbers without regrouping. They have been adding ones, tens and hundreds to numbers.

English: The girls have enjoyed reading *The True Story of the Three Little Pigs*. This book is written through the Wolf's perspective. It has given the girls a chance to compare the plot with the traditional tale of *The Three Little Pigs*. They have written in first person as Alexander the wolf and have produced some very interesting pieces!

Value of the month:

SELF

STARS OF THE WEEK

3.1: Klaudia & Hira

3.3: Sacena & Aimee

Bucket Fillers

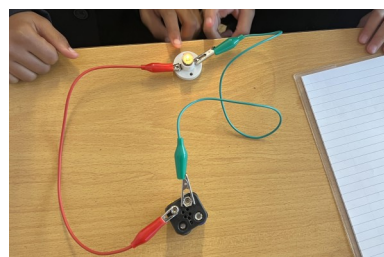

3.1: Shamso

Science:

Year 3 enjoyed creating their own circuits and were excited by how the bulb lighted up when the circuit's components were all connected together. Before creating the circuit, the girls created a drawing of the circuit and then a diagram of the circuit using the correct scientific symbols.

Next week, the girls will learn about insulators and conductors.

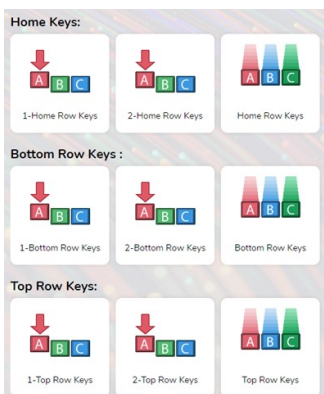

Computing:

The girls learnt about which finger to use when they type a key as well as the names of the different types of keys:

- Home row keys
- Top row keys
- Bottom row keys

Please ensure your child finishes and hands in the typing activities set on Purple Mash.
