### This Week's Learning

The girls have been writing letters in role, based on their reading of the story of Romeo and Juliet. We wrote two letters—both formal, but with a different tone. The letters reflected the personalities of the writers and their different personalities.

The girls worked hard and have produced some excellent writing.

### Green Project

The Green Project has started up once again after the summer break, with ten girls from Year 6 starting off the visits to our school allotment. There was a rush for places, so

well done to the ten girls who were successful and who have already enjoyed their first visit to the site (see photo).

We have a selection of home-grown vegetables which we are hoping to turn into soup in the school kitchen!
