Year 5 Newsletter

Week ending Friday 7th October 2022

This week pupils have written short stories based on the plot of the class novel. They have used a variety of sentence structures coupled with the features of the narrative genre to produce some interesting stories.

On Tuesday, they joined other schools around the country in an online session with author K. N. Chimbiri who explain the reasons for writing her book "The story of Britain's Black Airmen". This is one aspect of our school's celebration of Black History Month.

In History, they wrote letters home as WW1 soldiers who fought in the trenches, using vivid vocabulary choices and emotive language to convey the mood and atmosphere of that time. They have also discussed the significance of castles during WW1.

In ICT, pupils continued searching for information in Databases.
