

Winterbourne Junior Girls' School

Year 5 Newsletter

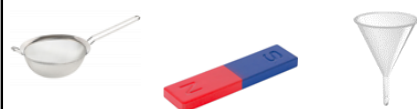

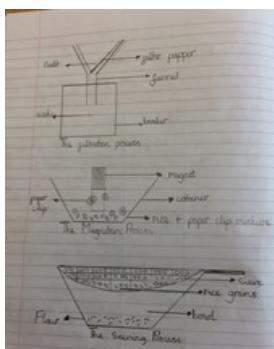

Week ending Friday 11th November, 2022

This week, pupils have written two letters based on the events in the story in our class text—*The Firework Maker's Daughter*. They have written from the perspective of the daughter Lila and her father.

In Maths, they have solved word problems with more than one number operations, using bar models.

Pupils have discussed and experimented with three methods of separating materials: filtering, magnetism and sieving.

They have predicted, drawn and label diagrams and written conclusions.

Curriculum

Class Text: The Firework—Maker Daughter

English: Explanation Text

Math: Fractions

RE: Christianity

Science Unit: Mysterious Materials
