## Year 4 Newsletter 10

Week ending: Friday, 18 November 2022

### This Week...

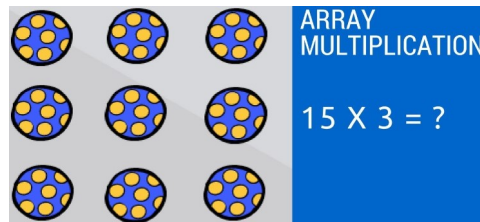

#### English

**Charlie and the Chocolate Factory.**  
We worked on retrieving information from a text in preparation for writing. In order to do this successfully we first analysed the characters and setting. The girls then imagined that they were Oompa-loompas and in this role wrote a letter to their families in Oompa-loompa Land.

#### Mathematics

The girls applied their knowledge of multiplication and division to solve word problems. They also learnt the underlying principles of multiplying by 0 and 1, dividing by 1 and the commutativity of multiplication involving 2 numbers and 3 numbers.

**Science** The girls investigated the one of the factors involved in dissolving soluble particles by using different types of sugar.
